You receive Unemployment Benefit II (Arbeitslosengeld II), live in the district of Steinburg and want to change your current situation?

We are here to support you!

In our project, we break the mould with you. Together, we are looking for employment options that best suit you and your personal situation. We will take into account both your qualifications as well as your family environment.

Our offering includes, among others:

- personalized individual consulting, which can be provided at your home and also with your family as desired
- support in finding appropriate childcare
- cooperation in searching for chances to improve your mobility
- professional orientation und help finding a suitable employer
- the chance to attend workshops and events about topics that are of interest for you – on-site or online
- guidance in how to use modern media properly

Bildung und Arbeit
gemeinnützige GmbH

We are looking forward to meet you!
